## CONDITIONS

### Quality

At Smoke & Spice we promise to use only superior quality products. We will not purchase lower quality items in order to protect our profit. Providing superior quality ingredients at fair value pricing, restricts our ability to discount except in cases where very large quantities are ordered.

### Insurance

Smoke & Spice and their clients are protected by the maximum recommended coverage in product liability, auto, workmen's compensation and liquor liability insurance. Certificates of insurance are provided upon request. Clients that require to be named additional insured on our policies will incur a \$50 fee. This fee covers the insurance company charge and the expenses involved. Any additional insurance coverage requested by our clients will be at an additional expense to the client.

### Portions

Food and beverage portions are based on over 26 years of combined catering experience. Our chefs calibrate a slight overage into each order; however, please notify your sales representative if you expect larger than normal consumption or if there will be special dietary needs at your event. We do have the ability to provide food service for most dietary needs.

### Guest counts

Final guest counts for full service events are due ten days prior to the event. After that date, increases are accepted but menu substitutions may be necessary due to food, equipment and staffing, decreases are not.

### Cancellations

We understand that there are acts of God, family emergencies and other contributing factors that may lead to a cancellation after an event is contracted or confirmed. Some simple steps exist to help our clients:

1. Cancellations must be called into our office and confirmed by e-mail.
2. Corporate drop-off orders may be cancelled without charge, if done before 10: AM the workday prior to the event.
3. Same-day corporate drop-off cancellations will be charged 75% of the confirmed or contracted price.
4. Outdoor events may be cancelled six hours prior to food service. If the event is not rebooked, then the deposit will be refunded minus the cost of sub-contracted items and a 25% service fee.

### Special planning

Weddings and large special events incur more time spent than calculated in our menu pricing. There will be a concierge fee of \$2 per guest for these events.

### Delivery and service fees

In order to keep the pricing fair, delivery fees are additional variable expenses beyond the listed menu prices and are based on distance. The fee covers fuel, man-hours and equipment depreciation. Service fees are charged for outdoor and special events, included in proposals, and are based on the expectations of the client.

### Pricing

Pricing is subject to change due to market conditions. Menu version 8/10/2016
